McGill IEEE Student Branch

3D Printing On Demand!

(For McGill students, faculty and staff)

+++

The **McNaughton Center**, run by the **McGill IEEE Student Branch**,

offers **3D printing services**, **b/w printing** and **equipment rentals**!

You DO NOT need to be an IEEE member to use these services!

* ≪IEEE members get 50% DISCOUNT on all printing services & equipment rentals!≫

Printing Services *

3D print	*$2.00 per 10g* + *$2.00 per 1hr*
B/W print	*$0.10 per page*

Item pick-up @ Room McConnell 543

→ Contact us at *ieee.mcgill@gmail.com* to learn more, place an order, or find out how to join IEEE!

→ Learn more at our website: *tinyurl.com/McGill-IEEE*

Rental Services *

Borrowed Item	Rental period
Projector	1 day
Arduino Uno	3 days
Raspberry Pi	3 days
Power Supply	5 days
Oscilloscope	5 days
Multimeter	5 days
Soldering Station	5 days

How does renting work?

You can borrow **ANY** of these items as OFTEN as you would like (depending on availability), for just *$10 per year*!

Example: So you want to just use the soldering station? Sure! That'll be $5 for an IEEE member. Want to use it again next week? Sure- it's free! Now it's the Winter term, and you need an Arduino kit? Sure, no cost!
